

Brussels, 25 March 2021

Dear Delegates,

I am writing to notify all the full member associations of the election for the External Relation Officer position and to invite for nominations.

Call for nominations

Nominations are invited for the position of External Relation Officer of the European Federation of Geologists.

You are respectfully reminded of the rules for submittal of valid nominations:

- Nominations for the vacant post shall be submitted in writing to the Supervisory Committee by any Full Member.
- Each Full Member may nominate only one candidate for each vacant position.
- Nominees shall be Members of Council, that is, an officially appointed delegate of one of the Full Members.
- Each nomination shall be supported by a brief resume of the Candidate's experience and a statement as to their suitability for the post
- Each nomination shall be supported by a statement from the nominee that they are willing to stand for election as an Officer and his/her electoral proposals of the objectives and achievements for the period of their election.

Nominations, including the supporting information, are to be submitted to the Office ([info.efg@eurogeologists.eu](mailto:info.efg@eurogeologists.eu)), marked for the attention of the Supervisory Committee (see below) and received by Monday 25 May 2021. Nominations received after this date will not be accepted.

EFG President
